

# 10.2. Workflow of Research Outputs

The content type Research outputs have a **3-step** workflow.

1. Entry in progress: The Research output entry still is in progress and being worked on.
2. For Validation: The Research output is awaiting validation approval.
3. Validation: The RM has validated the Research output.

Once the publication has undergone the validation process, the Researcher cannot edit anything but read the record.

Revision #1
