9.6. Information Icons

Information icons are valuable tools that assist in correctly filling out fields. We highly **recommend** using them, especially if you are new to Pure.

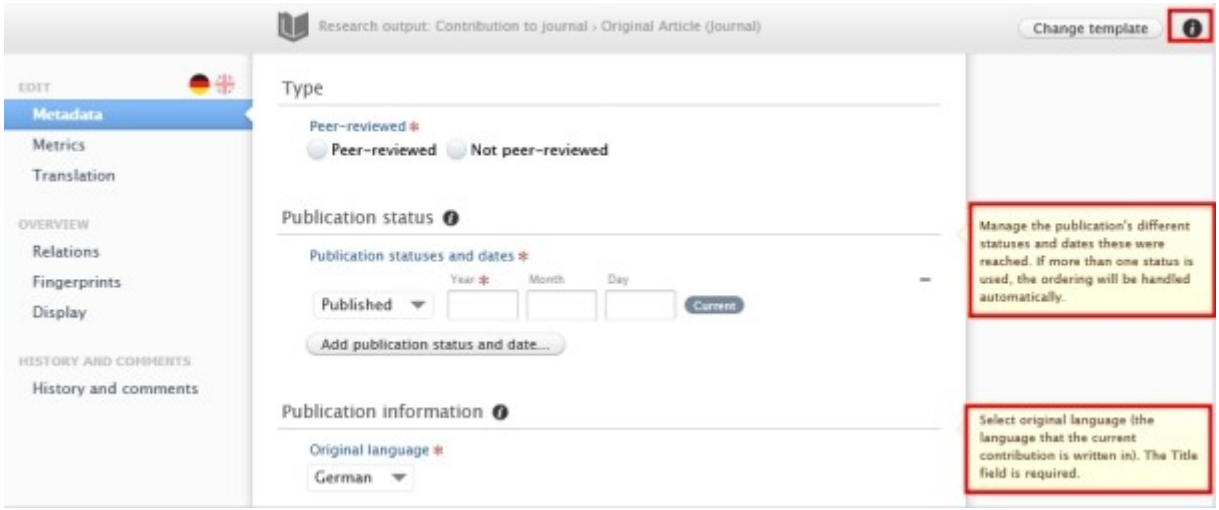

To check in one information icon:

- Navigate your mouse to the information icon next to the fields. Now, you can see the information belongs to the submission on the right panel:

To check in all the information icons:

- Click on the information icon in the upper right corner. Now, you can see all the information boxes that belong to the content:
