Question 5: I have PURE editor rights but do not see all publications of my organizational unit under ‘Editable‘. How can I get full access?

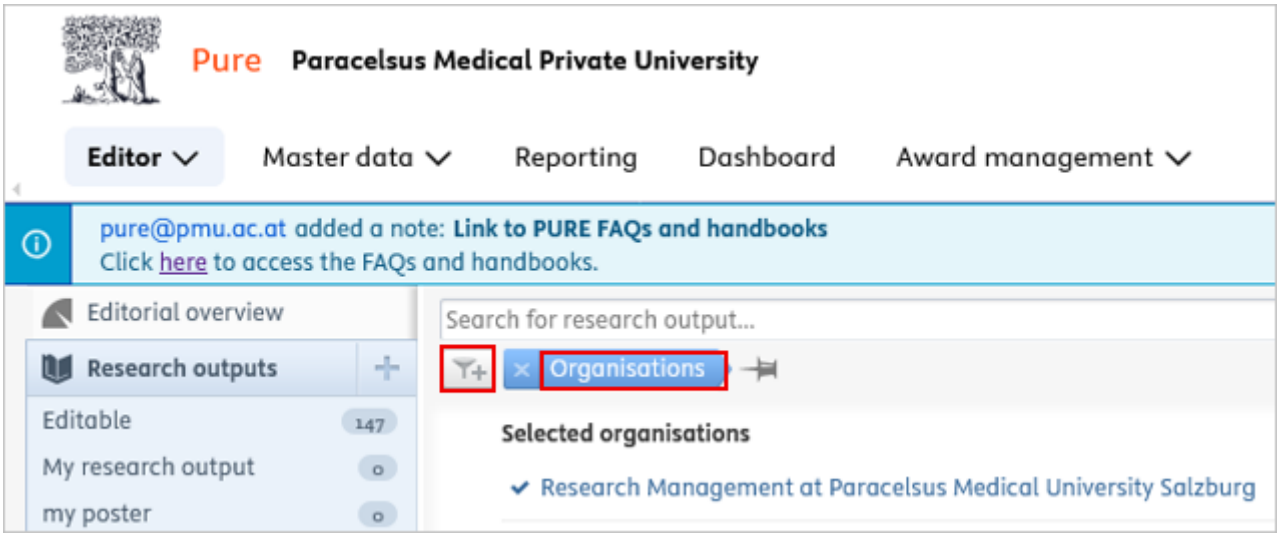

> Under the **‘Editable’** section, you will only see publications where your organizational unit is listed as the **managing organizational unit**.

To view all publications of your unit:

1. Log in to PURE (for details see Question 1).
2. Click on ‘Editor’ in the header then select ‘*Research outputs’*, and remove the *‘My content’* filter’:

3. Click ‘*Add filter’* and select the filter ‘*Organisation’* and search for your unit:

4. Click on the pin icon to save filter settings and pin them to the left menu.

Your saved filters will appear in the left-hand menu and are automatically kept **up to date**.
